

# StageFlight BUSINESS

## Workshop:

### Customer Service Role Play

Develop **customer service** and **interpersonal** skills in a unique and fun way in a non-threatening and **supportive** environment that will prepare you to tackle **real life challenges** in your workplace

## Workshop:

### Nailing Presentations

Whether it's to clients, colleagues or a conference, learn how to give **confident, clear** and **convincing** presentations by improving your vocal, physical & relaxation skills plus tips on using visuals and props

## Workshop:

### Team Play

Learn how to dismantle roadblocks to **good communication** inside your business using **games** and **improvisation** techniques. This team workshop is also a fun way to **celebrate** your successes!

*Workshops with customisable content to suit your business or non profit organisation*

*Flexible delivery: one hour / half day / full day for individuals or groups on your site or offsite*
